The world's most powerful WI-FI

In every corner of your home.

The best thing about Wi-Fi with WTC Communications?
We take care of it. It's a worry-free solution.

You don't have to search for the right kind of router, you don't have to worry about updating firmware – we make sure to support the latest technology, the fastest speeds, and help keep your Wi-Fi secure.

Fast, reliable home Wi-Fi, it's what we all deserve.
Using the Internet shouldn't be frustrating. With the latest technology, you get the best performance.

Remember, Not all Wi-Fi is created equal.

We provide the most advanced Wi-Fi standard yet. It's faster and optimized for performance in today's busy smart home environments.

What about online threats?
ProtectIQ is like a watch guard for your online activity - actively detecting and blocking malicious websites, viruses, malware, and hackers. Protection means peace of mind, get Network Level Security.
